Foreword

At the outset we sincerely apologise for our inability to bring out the third issue of our newsletter in proper time i.e. June 2022. But as the saying goes, 'better late than never', we are now ready to launch the new issue with renewed vigour and energy. It will make up for the delay, with all the backlogs incorporated. Post-covid, there has been a flurry of work and this issue will cover all our activities and events till date.

Mahavidyalaya Praktani is well known for its philanthropic activities and camaraderie among its members. We shall be delighted to hear from the alumni about this newsletter - its format, the quality of the content and its presentation. We would also like to seek your advice about ways to improve its quality. We would like to thank all those who have extended their help towards carrying out all our activities including bringing out this issue, smoothly and efficiently.

Message from the President (Mahavidyalaya Praktani)

Our fellow RKMRC alumni and friends,
Spring day greetings!

I am writing to you, on behalf of Narendrapur Ramakrishna Mission Mahavidyalaya Praktani Executive Committee, to thank our alumni who have reached out to the Alumni Association and to the college in response to our call and your inner call.

After February 2022, this newsletter is brought out with renewed vigour and promising effort. Sharing such dissemination of news can be deeply purpose-driven for harbouring welfare and development for both alumni and college.

On 25th December, 2023 I attended our reunion programme and it certainly brought back a lot of wonderful memories and rekindled old friendships. Every time I go back to the college campus, regardless of how old my body feels, I seem to get reenergised, both mentally and physically significantly. There is something special about beautiful, serene and inspiring environment of Narendrapur Ramakrishna Mission Ashrama which is felt by most of us.

Ramakrishna Mission Residential College Alumni Association is about relationship building to understand and endow respect, kindness and true appreciation of each alumnus and to be compassionate and kind which will enable our alumnus to move powerfully connect with others, redoubling the strength of our community to contribute to the cause of former students for cultural enrichment and current students for their multidimensional development in career and life. Our newsletter is the apt platform to connect and share the activities, achievements, newsworthy events, photographs and memories about our institution and men of repute for decades.

There is a lot of work ahead for our community. As we await the conclusion of the ongoing review efforts, we on the executive committee request that you continue to share your thoughts, experiences and suggestions with us as we collectively navigate this important period together.

Warmly,

Bibhatsu Kumar Sahu, MCIPR
President, Mahavidyalaya Praktani

Message from the Secretary (Mahavidyalaya Praktani)

Warm greetings to all of you!

Being a fellow Alumnus, I am greatly delighted to address you through this Newsletter.

As Secretary of the Alumni Association, I consider it an honour to welcome you all to go through the events for the past two years or so portrayed in this Newsletter. It is indeed my earnest desire to bring the alumni closer through this medium, and I truly believe this Newsletter will reconnect all of us. We, as the alumni, are the foremost brand ambassadors and can play a vital role in the development of our Alma mater with our ideas and suggestions. We wish to nurture a rich culture among the alumni which leads to building a strong and connected alumni network.

The objective of the Newsletter is to connect and establish a wide network among all the alumni. The Alumni Association could contribute in multiple ways. Firstly, we can contribute to our alma mater through our expertise and experience. Secondly, we can connect with each other and think of how we can give back to our community.

I am sure our ex-students would bring laurels to the Institution and become brand builders for the Institute. I would be looking forward to your suggestions to make our community vibrant, informative and highly interactive.

We are together embarking on a journey that would benefit the Alumni, the Institute, and society at large. We would love to listen and interact with you and know your success stories as RKMRC alumni.

I wish all of you all Subho Nava Barsha 1431

Benevolent Fund of 1975-78 Batch

Being inspired by the ideas of Swami Vivekananda, our brothers of 1975-78 batch have initiated a programme to extend assistance to some of the trainees of Lokashiksha Parishad, after successful completion of their training, so that they can stand on their own feet. A MoU has been signed by Mahavidyalaya Praktani, 1975-78 Batch and Ramakrishna Mission Lokashiksha Parishad to this direction early this year. They have already developed a corpus fund of more than Rs. Eight Lakhs and are hopeful of taking it to Thirty Lakhs to take up more such schemes. Two sets of programmes have already been organized and 3 trainees have received sewing mechanics to start their efforts, not only to be self-employed, but also to generate scope of employment for others. Wing Commander Sri Krishnendu Kr. Kundu, a life member of Praktani and one of the Batch Coordinators of 1975-78 batch has taken a leading role in organizing his batchmates to generate this benevolent Fund.

Appeal from the Principal

Ramakrishna Mission Residential College
(Autonomous)

AN APPEAL TO ALUMNI

Date: 24-03-2024

Respected alumni,
Please accept our namaskars.

At the outset, I would like to express our heartfelt gratitude to each and every one of you who have contributed generously for the timely completion of the renovation of Shri GourangaBhavana. As you are aware, following directives from the Department of Higher Education Government of West Bengal, the college adopted the 4 year Undergraduate programme from 2023. National Education Policy (NEP-2020) has stated unequivocally the necessity of artificial intelligence and AI education in today's world. To align India's curriculum to the 21st century and to prepare the students for the AI economy, the policy places a strong focus on the need of imparting technical knowledge at all levels of education. Keeping this view in mind, we, Ramakrishna Mission Residential College, Narendrapur, would like to integrate AI education for our undergraduate students as a Skill Enhancement Course (SEC) in the next academic session 2024. To put this into action, we need a sophisticated computer lab with 50-60 computers. To begin with, we are aiming only the science students to offer this course. The number of science students in each batch will be around 140-150, and the total number of science students for the four-year degree course would be around 550-600. We are planning to conduct this course in different batches. The computer facility at our present E-library, which houses rather old PCs with older version of processors, would not allow us to successfully implement this project.

Under these circumstances, we earnestly solicit financial support from your end in this worthy cause.

With warm regards,

(Swami Ekachittananda)
Principal

Obituary

WE EXPRESS OUR DEEPEST SORROW AT
THE SAD DEMISE OF:

Indranil Sarathi (Eng.) (1965-68 Batch)
Sudhir Choudhury (Maths) (1965-68 Batch)
Sonaram Tudu (1964-67 Batch)
Debasish Guha (1983-86 Batch)
Pannalal Sardar (Hist.) (1999-2002)
Parikshit Thakur (H.S.) (2000-2002)

May their souls rest in peace. Om Shanti...

Life Membership

At present we have only 612 Life Members. The biggest challenge before the praktani association is to increase the number of Life Membership. Mahavidyalaya requests all of you to convince your batch mates to take life membership of our Alumni Association. This will not only help the organisation to increase our strength and connection, but also enable the praktani in future to take up 'Mega Projects' under the banner of MVP.

The Executive Committee, takes this opportunity to extend our sincere gratitude to the Secretary Maharaj and Principal Maharaj (Patrons & Ex-officio members), Vice-Principal Maharaj, other Monks, Brahmacharins and Donors for their constant support and encouragement throughout the year. We would like to express our heartfelt thanks to all the members of EC for their cooperation and support throughout the year.

At the end, we look forward to active participation from all the members in various activities of Mahavidyalaya Praktani.

May Sri Sri Ramakrishna, Maa Sarada and Swami Vivekananda bless all of us and always inspire us in moving ahead with a positive frame of mind.
